Vacation Bible School 2017

CALLING ALL HEROES....

We are ready here at HERO HEADQUARTERS! Ready for some AWESOME adventures with epic music, spectacular science, power-up snacks, hero training recreation, and of course, FANTASTIC Bible stories that will help each of us discover what it truly means to be HEROIC in GOD!

Throughout our four days together, we will be busy getting to know Jesus through so

many fun and exciting activities. We simply cannot wait for all of our super heroes to discover their own strength in God!

Not signed up, yet? Don't hesitate! There's still space available in the training academy! But... don't delay! Sign up {for FREE} online, TODAY! It's so quick and simple: www.cokesburyvbs.com/spumcwilliamsburg

BEYOND THE FUN AND GAMES...

Although we're always having fun and filled with laughter, we're also deeply immersed in the Word. Each day highlights a "Hero Code" and focuses on a specific Bible Story that is featured throughout all of the activities: from assembly, to snack, to crafts and beyond!

Monday: God's Heroes Have HEART!

*Samuel Anoints David (1 Samuel 16:1-12)

Tuesday: God's Heroes Have COURAGE!

*Abigail Saves the Day (1 Samuel 25)

Wed.: God's Heroes Have WISDOM!

*Jesus goes to the Temple (Luke 2:41-52)

Thursday: God's Heroes Have HOPE!

*Beatitudes (Matthew 4:23-5:12)

**Do GOOD! Seek Peace and go after it!
(Psalm 34:14b)**

Setting the Stage to Be SUPER...

Each day at our Hero Central Training Academy, we will wear a “color of the day”! Be sure to join in the fun!

Monday: **BLUE**
Tuesday: **RED**
Wednesday: **GREEN**
Thursday: **YELLOW**

Each day you arrive, you will find your GUIDE and prepare for a day of EPIC adventures!

Each year, we choose a mission to support with our offering throughout the week. This year we're pleased to help the School Supply Ministry and support the needs of local families with our offering. Bring your change and bills each day to help YOUR class WIN the challenge!

Upcoming Opportunities:

Just because VBS comes to a close on Thursday, doesn't mean the fun has to stop there!

For the following four Sundays, feel free to join us in the Children's Corner at 9:30am to continue our 'Hero Training' fun! Each week will feature a new activity, so you'll get one more opportunity to experience games, crafts, science and more!

We will focus on “God's Heroes have POWER!” as we explore the Bible story about the Pentecost (Acts 2:1-41) each Sunday in August!

Also, we are excited to present some of our favorite 'Super Hero' songs to the congregation on Sunday, August 6th at the beginning of the 10:30am service. Please plan to join us!

Servants Wanted:

If you have discovered that your Spiritual gifts are pointing you to serve in Children's Ministry, there is a definite need for servants' hands in the Preschool and Nursery. Contact Sarah Lentz at sarahlee213@gmail.com, if you can help.

Even ONE HOUR a month can make a HUGE difference in this area. We are proud to offer these programs all summer long, but it takes a little help from many hands to

help that remain possible.

We're also interested in adding a few more servants' hands to our 611 team for our upcoming fall programming. If you may be interested in helping out with children's programming on Wednesday nights, or Sunday mornings, please contact Kristin Nunnelley at Kristin.Nunnelley@gmail.com.

Thank you to ALL of you that give of yourself, your time, and your talents to our Children's Ministry Programming. YOU are making things GREAT for our children.
