

A Kids' Club Passport To Adventure

Travel Log: November 2017

MAKING A SPLASH WITH DEEP BLUE:

This month in Deep Blue Kids Church, our focus is WISDOM! Having Wisdom, or being wise, is about more than just being smart. Wisdom is knowing something, understanding what you know, and doing the right thing with what you know. King Solomon asked God for the gift of wisdom. He shared his wisdom through proverbs. It is traditionally believed that the Book of Proverbs in the Bible was written by Solomon, himself.

How does your family share wisdom with one generation to the next?

How do children teach grown-ups about wisdom? We hope you'll take time to connect this month over what WISDOM means to your family!

MISSION PROJECT:

Deep Blue offers us the chance to serve God with amazing mission trip opportunities. Our first Mission Project is connected with our "travels" to Guatemala. While the Deep Blue Kids are there, they will be learning about the mission, Pura Vida. This mission creates a brighter future for children in Guatemala by providing educational opportunities for under-privileged children in Guatemala.

The **FOURTH GRADE** class is currently in the lead for our "Change for a Change" Mission Project Challenge! You know what that means, right? It's time to CHALLENGE them! Let's get those nickels and dimes adding up! There is a jar for each age group in the Children's corner!

We've currently raised a total of **\$21.01** for Pura Vida! We will collect for this amazing mission through the end of November. Thank you for helping us reach out into the world to make a change!

NOVEMBER FOCUS:

This month we'll be hearing stories about Solomon and the wisdom God gave him. Take some time to become familiar with these stories so that you may talk about them with your child/ren at home to make the connection together as a family!

***Solomon Becomes King (1 Kings 2:1-4; 3:1-15) -**
Solomon prays for wisdom

***Solomon's Wisdom (Proverbs 6:6-8; 10:1; 17:17) -**
- It is wise to listen to those who are older and have more experience than we do.

***Solomon Builds the Temple (1 Kings 6:1-38) -**
Solomon built the temple with wisdom

***Solomon Dedicates the Temple (1 Kings 8:1-66) -**
It is wise to celebrate the goodness.

NO CHILDREN'S PROGRAMMING

Due to the Thanksgiving Holiday, there will not be 611 on Wednesday, November 22nd or Sunday Morning Club on Sunday, November 26th.

Classes will resume on November 29th.

Get Your Deep Blue Bible

There is currently a sign up sheet in the Children's Corner for anyone interested in purchasing their own Deep Blue Bible.

There are 2 different options available. We have an imitation leather-bound version available to look at before you decide to purchase, as well. These Bibles are AMAZING and would be a wonderful addition for any family! Come check them out!

THANK YOU!

Thank you to the twelve 3rd and 4th graders who joined us on Sunday, October 22 for the "Learning to Use Your Bible" Lock-in. We had a wonderful afternoon filled with small group activities, games, challenges, tastes from Guatemala and more! It was a great day!

THANK YOU also, to Carrie Troyer and Sarah Lentz. The two of you helped make the lock-in a success! Without these 2 ladies, none of our Deep Blue activities would be possible! You're committed each week and you're both so much appreciated!

Deep Blue—Learn and SERVE:

We are definitely in NEED of extra "Hands On Deck" in the Nursery/Preschool areas. We love to serve our littlest church members, but we need your help! PLEASE contact Sarah Lentz or the church office if you could commit to one Wednesday night or one Sunday morning shift each month!

We are very interested in creating a list of people who are willing to help out in our children's programming. We would love to have list of people that are willing to be "on call" substitutes in our rotation, in case of illness, etc. The lessons are well laid out and easy to follow. We'll walk you through it all. Or, if you'd rather just be extra hands for a craft or game, that's OK, too! We'd love for you to join us!

If you feel led to get involved and serve in our children's programming, please contact Kristin Nunnelley or the church office! This is a great way to connect with the children in our church family!
