EXPLORING DEEP BLUE SHORES:

What Is Healing?

This month in *Deep Blue Kids Church*, we are learning some of the healing stories of Jesus. Take some time to think about and talk through these questions at home:

- * What does healing mean?
- *What are some ways that people are healed?
- *Are all healings physical?
- *Does God always heal when we ask?
- *Does healing sometimes look differently to God?

Were you able to answer the above questions easily? If not, that's OK! These questions can be tough. Our children may have questions that are difficult or sometimes uncomfortable to answer.

Trying using these tips when you are faced with difficult faith questions:

- *Be open and honest
- *Ask your child(ren) what they think
- *Be willing to say, "You know what, I'm not sure!"
- *Wonder together freely and without judgment.
- *Use a book or online resource to help find information or answers to questions
- *Discover more about what the Bible has to say about healing
- *Speak with Pastor Louie or another trusted faith leader if you have questions that seem impossible to answer. They may be able to offer insight, different resources and/or encouragement for you and your child(ren).

DEEP BLUE KIDS CHURCH:

Sunday Mornings at 9:30am

Join us on Sunday Mornings for Kids' Club! Each Sunday we invite kids Pre-K through 4th grade to join us in the Children's Corner where we'll visit the kids on the Deep Blue Shores and be introduced to a brand new Bible adventure!

**God heals the
brokenhearted and
bandages their wounds.
(Psalm 147:3)**

CHILDREN'S CORNER KUDOS:

Musical Thank YOU

We'd love to take this moment to say THANK YOU to the Pre-K through 4th grade children who committed their time to making the musical such a success. It was such a neat story this year, and it would not be the same without our children's choir! Many thanks to families for making sure they were here to practice and perform!

Angel Tree Mission:

Many thanks to all of you for helping us come together to sponsor an 8 yr. old girl off the Angel Tree this Christmas season!

CHILDREN'S OFFERING:

The children are encouraged to find ways to help their family to earn money for our Children's Offering. We have been able to reach out to many people and places through our offerings. It's a very cool thing for the kids to see that even though they may feel small, they can do great things together to help others.

Because our current Deep Blue Adventures focus on family, we're hoping to reach out to help other families. We chose to bless a child from the Angel Tree this fall. When we return to classes in early January, we will choose as a group where we'd like to focus on next.

Encourage your kids to bring in their extra change so we can work together to serve others!
